## 13-DAY AUSTRALIA AND NEW ZEALAND CRUISE TOUR STARTING AT \$0,000 PER PERSON\*

**Sydney** harbor, home of the iconic Opera House, is the hub from which there's much to see and do. Admire the skyline, swim at a harbor beach or cross the Sydney Harbour Bridge. Want to see surfing? Spend the day on world-famous Bondi Beach or take a scenic walk to Coogee Beach. The Rocks district is a shopper's mecca offering a variety of goods, from woodcrafts and unique art to outback fashions.

Once the richest city in the world thanks to a gold rush, **Melbourne** is Australia's cultural capital with striking architecture, chic galleries and boutiques. Wave at a wallaby or get close to a koala at a wildlife park. Feel closer to the land on a ride on the Puffing Billy steam locomotive through the mountains and countryside. Back in the city, explore a different culture and visit Chinatown — the oldest one in the West.

A community of artisans on the northwest coast of Tasmania, **Burnie** has long a history as a community that makes things, with locally crafted European-style cheeses, fine papers, ceramics and single-malt whisky. Surrounded by accessible wilderness areas, you can still get a glimpse of little penguins and the platypus in the wild. The vibrant shopping district spills onto the beach where you can sit down at a café.

In **Wellington**, travel to a Victorian past as you stroll by the city's Gothic buildings. Take the cable car up the mountain for a fantastic view or head to the beach. Journey around the spectacular harbor. See some of the sites where the Lord of the Rings trilogy was filmed. Shopping opportunities include arts and crafts, jewelry, fine woolens and leather goods.

**Napier** calls itself the Art Deco capital of the world, but it's also a leading wine-travel destination. Levelled by an earthquake in 1931, Napier was rebuilt in Art Deco style. Take a walk down Marine Parade (a tree-lined ocean boulevard with fountains and gardens), enjoy lovely country vistas or tour an area vineyard and relax with a glass of wine.

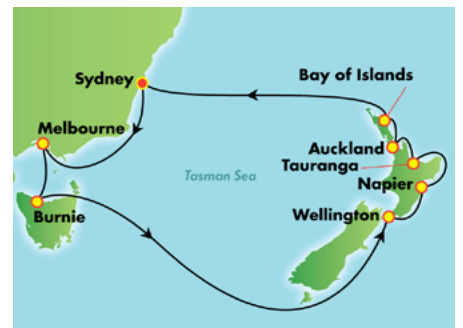

Explore **Tauranga**, set on the beautiful Bay of Plenty. Head to the beach or discover the lovely parks and rich history. Visit a village buried by a volcanic eruption and captured in a moment of time. Visit Hell's Gate, a geothermal park with boiling pools, fantastic geysers and mud baths (the largest of which is Poutamu, "the stairway to heaven.").

Surrounded by tranquil golden beaches, lush forests and dramatic coastal trails, **Auckland** is a nature lover's paradise. New Zealand's largest city is also a shopper's paradise. Learn about the indigenous Maori and take home some native art pieces or jewelry. The locally-produced woolens also make excellent gifts.

Stunning beauty and history in **Bay of Islands**. Kayaking, fishing and wildlife watching. An abundance of sea life from dolphins that fly, to penguins that dress in blue. Numerous historic sites at New Zealand's first British settlement. Local artists offer paintings, pottery, textiles and woodcarvings.

### Travel Insurance

*Insurance is strongly suggested. Personalized quotes are based on your age and total cost of the trip. You will have an opportunity to request an insurance quote at final payment time (end of July 2017). Your deposit is refundable (with the exception of the \$100 per person that gets paid to United Airlines) so you could wait until final payment time. Note: There are several free benefits you get (the biggest is the waiver of any pre-existing conditions) if you buy the policy within a couple weeks of receiving the quote that you will not get if you wait. I suggest that you wait to request your quote until you are ready to buy.*

- Insurance quote now
- Insurance quote at final payment in mid August

#### Deposit and final payments

- \$500 deposit required per cabin in the form of cash or check. Final payment can be made by cash, check or credit card.
- Final payment invoices will be mailed out by July 25, 2017.
- Final payments will be due in my office by August 5, 2017.

### ★★★★ WARNING AND VERY IMPORTANT! ★★★★★

There is no travel insurance included for this trip! I can send you a personalized quote which can only be done by entering the total cost of your trip along with your ages — that's how they calculate the price. Although it will not be cheap, consider the fact that I am contracting the air separately for you at a savings of over \$300 per person that could be used for this insurance. Also consider that if for some reason we don't arrive in Sydney before the ship sails, we will all have to pay for a flight to Melbourne and two hotel nights to catch up with the ship. After keeping all your receipts and with insurance, you will be reimbursed for that expense. No insurance — totally your expense! You don't even need to purchase the insurance now as only \$100 per person for United is non refundable until time of final payment. You can purchase travel insurance from wherever you like but NBS Travel Group will not accept any responsibility for clients that opt not to insure their trip.

#### Cancellation dates, policies and fees per person

- Cancellation penalties begin August 19, 2017 and increase until the sail date. \$100 of your deposit goes to United Airlines and is non-refundable from the time of your initial deposit

## VACATION INCLUSIONS AND AIR OPTIONS

13 day Australian/New Zealand cruise with balcony cabin including beverage package on the ship, pre-paid gratuities on the ship, get-acquainted dinner at Krabbe's Kountry Klub, motor coach to Chicago, transfers in Australia, United Airlines Economy air seats and all taxes and fees:

**\$4,800 per person**

---

There are three airline seating options available to upgrade. They are estimated and final price will be locked when names are added to the ticket. They are on a first-come basis and subject to availability. For that reason, I would like to know by March 1, 2017 if you would like to upgrade. I need at least 10 people to put in the request. If you miss that deadline, you will have to wait for the next 10-person group or else you will have to wait until final ticketing and your requested upgrade may not be available.

### **All of the aircraft are scheduled to seat 3x3x3 people across**

---

- Option #1 • United Airlines Economy Plus** – Seating with five inches more leg room. For the two long flights from Los Angeles to Sydney and Sydney to Los Angeles, it would cost about \$5,250 per person for the cruise and everything listed above.
- Option #2 • United Airlines Economy Plus** – Seating for all four flights would cost about \$5,475 per person — cruise and everything listed above.
- Option #3 • Use the Economy Seats** – (if you don't have long legs) and purchase the seat in the middle for room to spread out. This would be for all flights and would cost about \$5,555 per person — cruise and everything listed above.
